Subject: RE: Equivalency memo revisions

Thanks Brian. I think these are good changes. I'll take off the PSU highlighting but delete the reference to the PSU report since it sounds like that's coming later this week. I will move forward with posting this on the SRF website unless I hear otherwise from folks on this email.

Thanks again,

Dave

Subject: Equivalency memo revisions

Dave, Kelly:

Laurie and I (mostly Laurie) made a few more edits to address the concerns I discussed with Kelly this afternoon.

The goal was a document that can stand on its own merits, without referencing the earlier equivalency test memo.

Thanks,

Brian Nickel, E.I.T.
